

**WEEE
COMPLIANCE STATEMENT**

10.12.2020

1. SCOPE

This statement clarifies product compliance of DZS GmbH with the European Union's directive 2012/19/EC, Waste of Electrical and Electronic Equipment ("WEEE" directive) and similar regulations that may be adopted by other countries. WEEE is intended to reduce the disposal of waste from electrical and electronic equipment by establishing guidelines for prevention, reuse, recycling and recovery.

2. IMPLEMENTATION OF THE WEEE DIRECTIVE

- 13/08/05: All DZS products that are placed on the market within the EC are labeled according to WEEE / EN 50419. An exception is valid for products that are placed on the German market as the labelling starts not until 24/03/2006 according to German laws (ElektroG).
- 23/11/05: Registration of DZS GmbH with the EAR (Elektro-Altgeräte-Register, register for old electric appliances) and report of devices placed in the market and taken back.
- 24/03/06: All products of DZS GmbH placed on the market within the EC are labelled according to WEEE / EN 50419.

3. WEEE COMPLIANCE STATEMENT

DZS GmbH, as a producer of telecommunication equipment, is committed to complying with the WEEE directive. DZS GmbH implemented the WEEE directive as described under "2. Implementation of the WEEE Directive".
